

Student Outcomes Reported to the Accrediting Commission of Career Schools and Colleges (ACCSC)

Learnit Academy, Inc. is accredited by the Accrediting Commission of Career Schools and Colleges (ACCSC), an accrediting agency recognized by the United States Department of Education. The following information was reported to ACCSC according to their Annual Report guidelines. Any currently active programs not mentioned below are omitted due to having no enrollments during the relevant reporting period for the most recent ACCSC Annual Report. The reported "Employment rate" is based on the number of graduates verified to be working at least 5 days in their field of study before submitting the Annual Report to ACCSC in July 2023. Employment verification is obtained from the employer, the graduate, and/or a third-party verification agency used by the employer. Documentation regarding these employment verifications is maintained on file to support the results listed below.
